Keeping it legal and compliant

Our minibus specialists are here to support with everything you need to stay legal, compliant, and safe. This includes advice on the types of minibuses you can drive on a standard, non-D1 driving licence⁴, and regular on-site safety checks to keep you protected.

1. Terms and conditions apply.

2. Including on-site visits.

3. Not covered by the manufacturer's warranty.

4. Driving restrictions apply.

Lightweight champion

Our lightweight 17-seater minibus options are popular with drivers that do not have a D1 licence category, as they can be driven on a standard non-D1 driving licence.

Considered lightweight because the maximum weight is no more than 3.5 tonnes (or 4.25 tonnes when factoring in specialist equipment for carrying disabled passengers).

Dedicated account management

Good news. The minibus specialist who introduces you to Jurni is the same person who will manage your account and communicate with your colleagues.

We do this for two reasons; we know that you want an enthusiastic partner who is committed to the promises made, and one who both understands your objectives and is accountable for their delivery. Also, we're passionate about building long-term relationships with our customers.

In a price-driven, competitive marketplace, where transactions often overshadow connections, our minibus specialists stand out by prioritising a personalised service and lasting partnership.

Ready?

Because every customer is different, it's best to tell us about your organisation and goals first, so we can speak openly about the best fit for you and your team.

Driver Safety Pack

Keeping everyone safe is our primary concern. That's why we've equipped your minibus with a comprehensive safety pack to keep your trip on track. Our branded safety kit bag is designed to store all your essential emergency tools, so you're prepared for any situation.

Universal mats (to protect your interior)

Keep your minibus clean and protected with our branded universal mats. Easy to clean and install, they provide a barrier against dirt, mud, and spills, ensuring your interior stays in top-top condition.

First aid kit (for cuts, scrapes and peace of mind)

Have everything you need to hand with this compact first aid kit, perfect for treating and dressing bumps and scrapes. It's portable piece of mind for you and your passengers.

High-visibility vests (to stay visible and safe)

Stay visible and safe at all times with our lightweight, high-visibility vests. They're fluorescent and reflective to ensure you're seen by other drivers when near the road.

Emergency beacon (to stay seen and safe in emergencies)

This essential emergency tool features a 360-degree flashing beacon, high-intensity LED flashlight, seat belt cutter and emergency glass hammer - all in one. Plus, it comes with two AA batteries included.

Warning triangle (for roadside safety and visibility)

In an emergency, position the reflective triangle at least 45 meters (147 feet) behind your vehicle on the same side of the road. Ensure you place it safely and with caution, avoiding use on motorways.

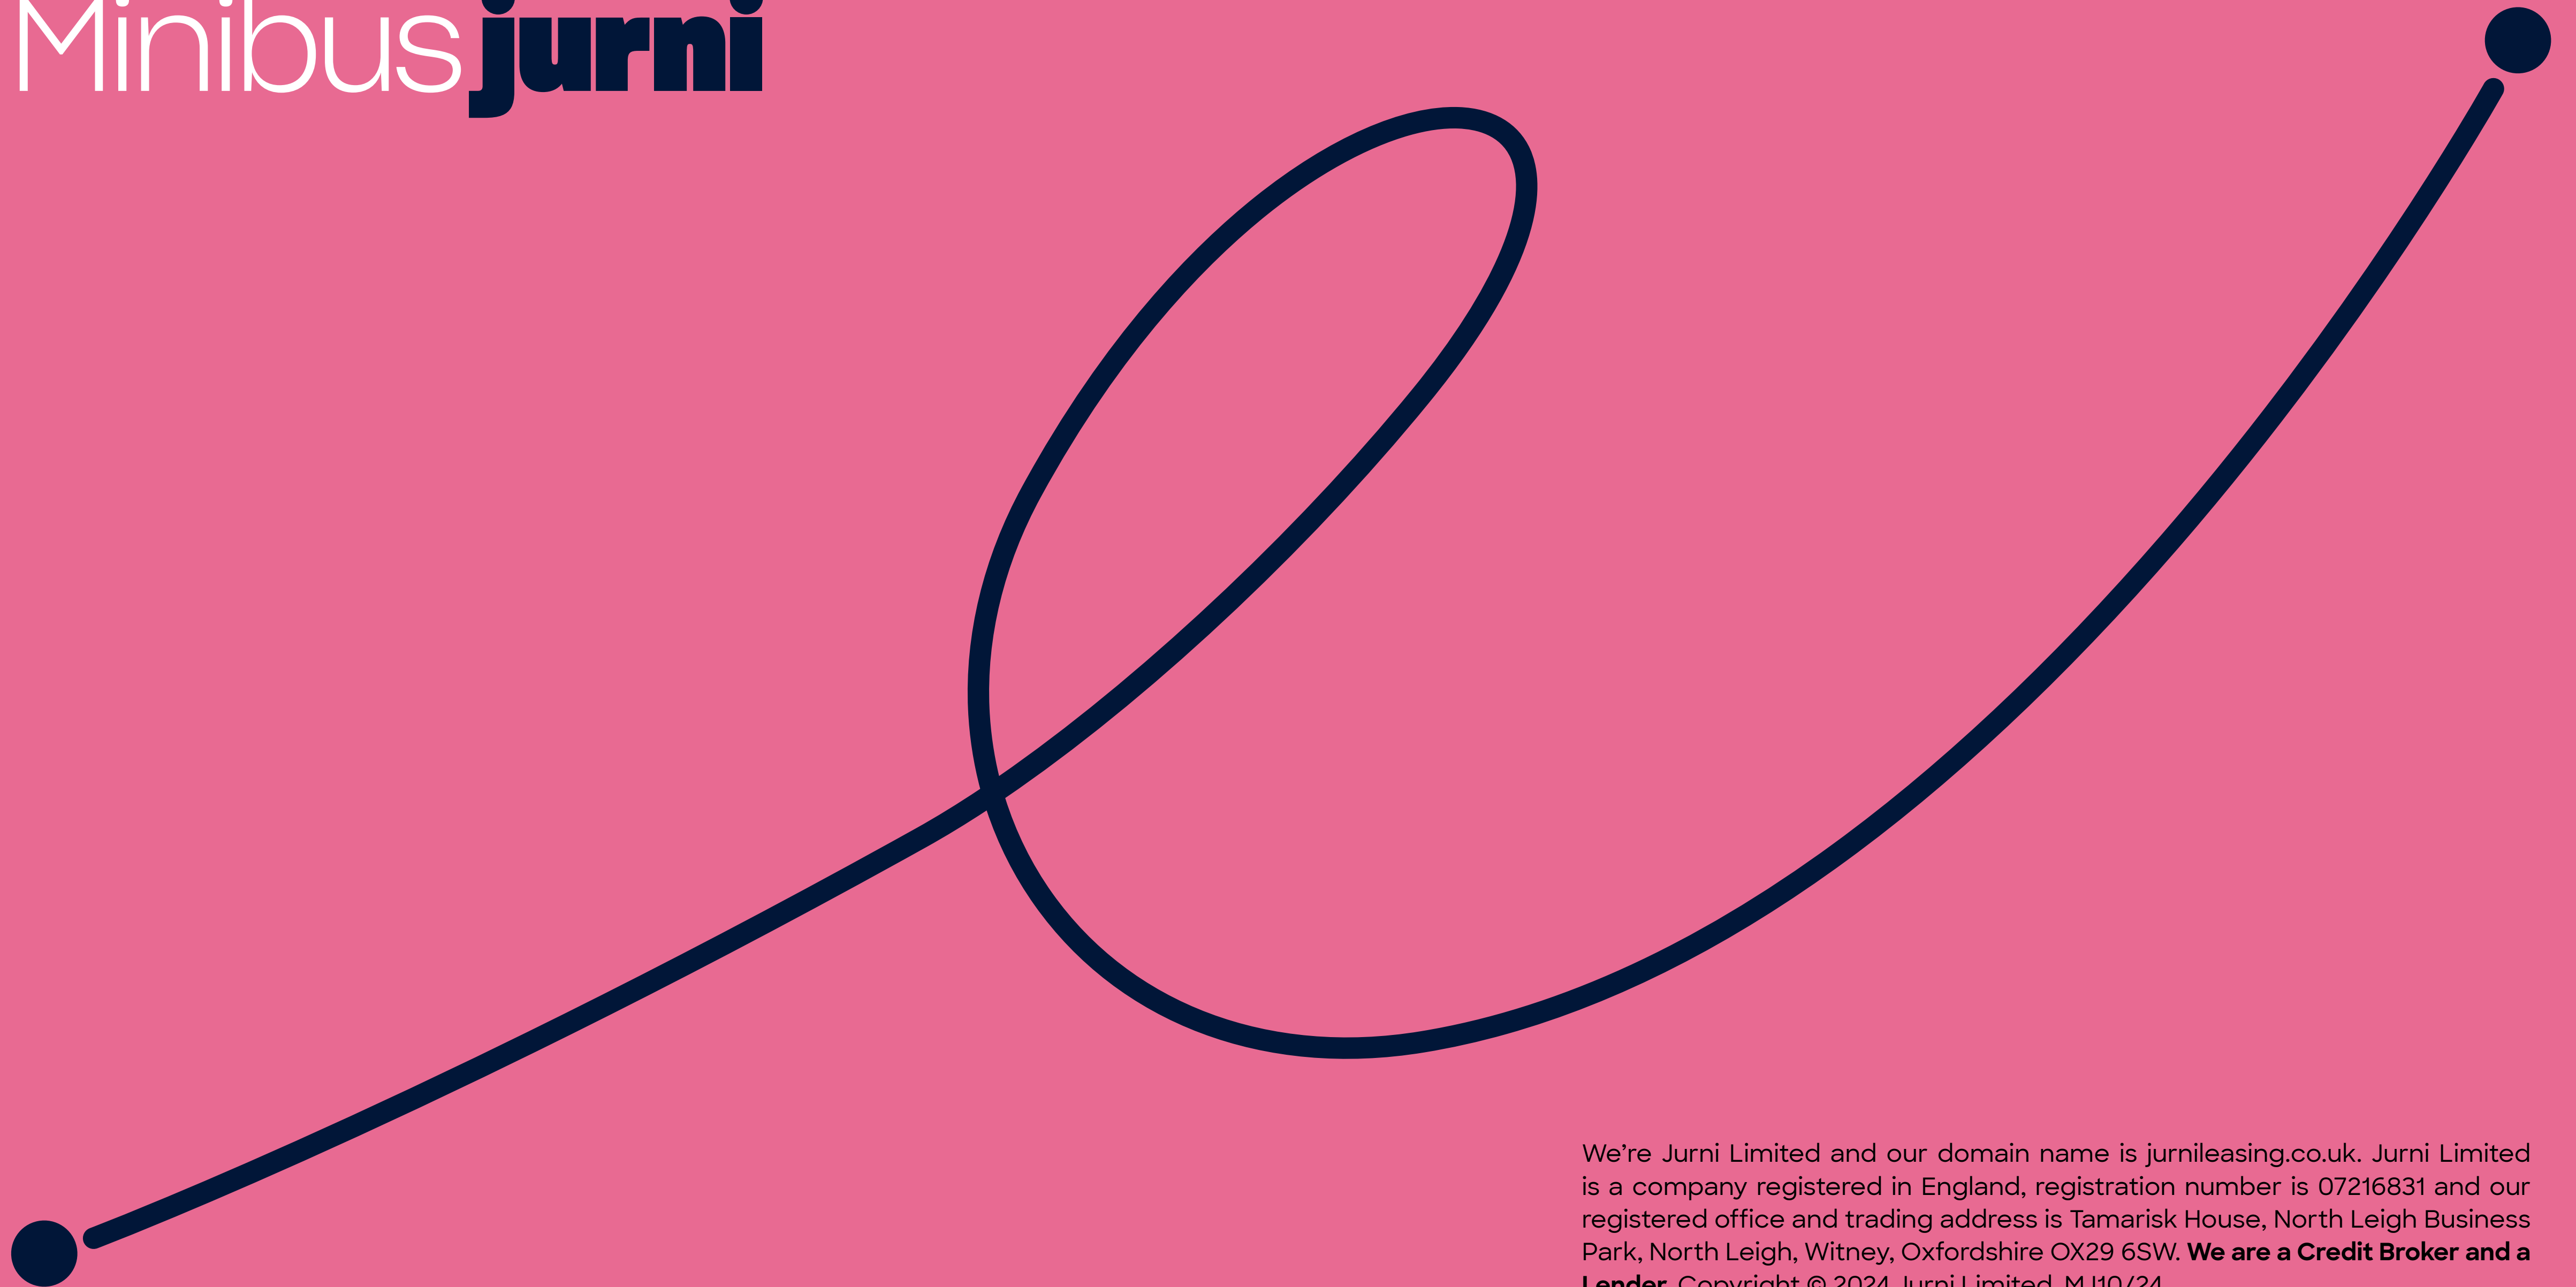

Screen wash pods (to keep your windscreen spotless)

Simply drop a tab into your windscreen washer tank and fill with water or
