Jurni 360

Minibus management made simple

Minibus**jurni**

Why choose Jurni 360?

Managing your school's minibuses doesn't need to be complicated. Jurni 360 brings your minibuses, drivers and essential checks together in one easy-to-use digital hub, helping you save time, manage compliance, control costs and keep your minibuses safe and on the road.

Everything in one place
Keep track of minibuses, authorised drivers, inspections and important deadlines in one simple system.

Less admin. More time.
Automate reminders, organise records and spend less time chasing paperwork.

Stay one step ahead
Keep on top of MOTs, servicing and vehicle inspections to help keep your minibuses roadworthy and compliant.

Better visibility. More control.
Access live vehicle information and useful insights to help manage your minibuses and running costs.[1]

1. Available with Jurni 360 Pro only. Connected vehicle features depend on manufacturer-installed connectivity and vehicle compatibility. The data available may vary by manufacturer and vehicle.

Managing minibuses shouldn't be this hard

Looking after your school's minibuses is an important responsibility. But it shouldn't take up so much of your time.

Between MOTs, servicing, driver checks and vehicle inspections, there's plenty to keep on top of. And when information is split across spreadsheets, paperwork and different people, it's easy for something to get missed.

That's where Jurni 360 comes in.

Your minibuses, drivers and essential checks, all in one place. So you can stay organised, stay ahead of important dates and spend less time on administration.

Less admin. Fewer surprises.
More peace of mind.

At a glance

- One easy-to-use digital hub
- Minibus & driver management
- MOT & licence reminders
- Vehicle inspection schedules
- Service & maintenance alerts
- Mileage & journey insights
- Clearer cost visibility

Your minibuses.
One clear view.

Stay on top of your minibuses, drivers and essential checks, with less paperwork and chasing.

Manage your drivers with confidence
Keep driver records, licence information and checks organised, making it easier to manage who can drive your minibuses.

Never miss an important date
Keep track of MOT deadlines with automatic reminders, helping you stay on top of essential vehicle requirements.

Keep minibuses ready to go
Get service alerts and maintenance information to help reduce the risk of breakdowns and disruption to school journeys.

Make vehicle checks easier
Record driver walkaround checks and formal safety inspections, keeping everything organised to help maintain vehicle safety.

Know where your minibuses are - Pro
See live vehicle locations, mileage and journey information, giving you greater visibility of your minibuses when they're on the road.[1]

Keep an eye on costs - Pro
Track fuel and mileage to spot unnecessary expenditure and make your budget go further.[2]

1. Jurni 360 Pro features are subject to connectivity and vehicle compatibility.
2. Fuel analysis requires a compatible fuel card solution.

The right tools for your minibus

Whether you're managing one minibus or several, Jurni 360 makes it easier to stay organised and in control.

Choose Essential for everyday minibus management, or go Pro for greater visibility with live vehicle data and additional insights.

Essential - Everyday minibus management
Keep track of drivers, inspections and important deadlines. All the essentials organised in one simple place.

Pro - More insight, more visibility
Add live vehicle information, automatic mileage tracking, journey analysis and integrated service alerts to help you manage your minibuses more effectively.

Feature	Essential Package	Pro Package
MOT & Licence tracking	✓	✓
Driver assignments	✓	✓
Inspection schedules	✓	✓
Penalty and fines management	✓	✓
OEM Telematics[1]		✓
Live dashboard		✓
Mileage automation		✓
Trip and fuel analysis[2]		✓
Integrated service alerts		✓

1. OEM Telematics uses the vehicle manufacturer's built-in connectivity. Availability depends on vehicle compatibility.
2. Fuel analysis requires a compatible fuel card solution.

Simpler minibus management

From everyday checks to planning ahead, Jurni 360 helps you stay organised throughout the school year.

Before the school trip
Check driver information and vehicle records without searching through spreadsheets or paperwork.

When an MOT is approaching
See what's due and plan ahead, rather than relying on someone to remember.

When a minibus needs attention
Stay on top of vehicle inspections and service reminders, with dashboard warning lights available through Pro to help identify issues early and reduce disruption to planned journeys.

When budgets are being reviewed
Use mileage, fuel and running cost insights from Pro to understand expenditure and identify opportunities to save.

Everything organised.
Nothing unnecessarily complicated.

Your minibuses. Our expertise.

There's more to managing school minibuses than keeping them on the road. And there's more to Minibus Jurni than supplying them.

We combine specialist minibus knowledge, practical technology and ongoing support to help you manage your vehicles with confidence.

It's easier with Jurni.

20 years of minibus expertise
Helping schools find the right vehicles, understand their options and manage their ongoing transport needs.

Dedicated account management
One point of contact who gets to know your organisation, understands your requirements and provides ongoing support.

Practical, on-site support
From servicing and safety checks to MOT collection and mobile tyre fitting, we help keep your minibuses ready to go.[1]

1. Onsite servicing and vehicle collection are subject to availability in your area.

"In our 10+ years as a customer, Jurni has always been willing to go the extra mile. The team is approachable, friendly, and very professional."

Monkton Combe School, Bath

"Everything promised has been achieved."

The Ashley School Academy Trust, Lowestoft

"Straightforward process for ordering and delivery of our new minibus."

St John's School, Blackpool
