

Take control of your fleet

With fixed-cost servicing, maintenance and repairs

One **hassle-free** package

DriveElectric is part of the Jurni family, working together to give businesses a simpler, smarter way to manage their electric vehicles. With Upkeep, your fleet maintenance is consolidated into one predictable package, supported by experts in EV leasing and fleet care.

Keeping your vehicles road-ready is essential. Upkeep brings all your servicing, repairs, MOTs, roadside assistance, tyre replacement and more¹ into one all-inclusive monthly cost.

Access every service quickly through a single phone number or via online booking.

What's included?

Because Upkeep is powered by the combined Jurni and DriveElectric network, you benefit from preferential rates on servicing, repairs and essential EV maintenance.

Our buying power means we can secure excellent prices on manufacturer-approved parts and labour, giving you strong value without compromising on quality.

From routine checks to specialist repairs, every vehicle is cared for by vetted professionals who understand electric drivetrains and battery systems. This ensures consistent standards, reduces downtime and keeps your fleet moving with confidence.
